EXECUTIVE SUMMARY

SUSTAINABILITY REPORT 2014

"Balancing complex priorities and providing leadership on sustainability requires a solid perspective on long-term change and future challenges. Our business is dynamic and involves many stakeholders, making it critical that we engage and incorporate their views as we plan for the long term."

Craig Neeser
Chair, Board of Directors

"Our passion for serving Canada and enabling economic prosperity through trade drives us to plan for the long-term sustainability of the port. We want to ensure future generations continue to enjoy the benefits of trade, a healthy environment and thriving communities."

Robin Silvester
President and Chief Executive Officer
