Agenda Topic	Discussion/Action Items
1. Welcomes and introductions; review of meeting minutes	The minutes were approved.
2. Oil spill response in English Bay	Duncan Wilson provided a summary of the events following the spill in English Bay. Adequate resources for spill response has always been a priority for Port Metro Vancouver, and the port hopes that this event will remind the federal government of the need to provide funding and support to the Coast Guard. The committee members expressed concern about the delayed response time.
3. Debrief on delegation to District of North Vancouver	Jillian Cooke and Eric Anderson had recently presented to the District of North Vancouver. Council asked about how the committee shares information with the rest of the community. They also brought up interface issues and taxes. Action: Thank-you letters would be written to councils at the District and the City.
4. Project Updates	Artist's cabin The artist's cabin was set to be moved to Canexus, but there were also some ongoing legal and bureaucratic hurdles to move through. The group was looking for a volunteer project manager and trying to set up a society to determine who "owns" the cabin.
