

APPENDIX B

List of Information Sources

VFPA has relied on the following sources of information in the project and environmental review of the Project:

- Application form and materials submitted by Applicant on November 4, 7, 9, 14, 22, and 23, 2016, and January 9, 2017;
- All Project correspondence from November 11, 2016 to February 26, 2018;
- All plans and drawings labelled PER No.15-012-A to K, and as submitted with the application in November 2016;
- Additional plans and documents submitted in support of the application, including the addendum package dated May 5, 2017;
- Aboriginal Group Table of Commitments, dated November 9, 2017;
- Updated studies, specifically
 - Latest Construction Environmental Management Plan dated January 31, 2018
 - Storm Water Pollution Prevention Plan dated September 14, 2017
 - Environmental Noise Assessment dated February 1, 2018
 - Environmental Air Assessment dated February 1, 2018
 - Conceptual Habitat Offsetting Plan dated November 8, 2017
 - Soil Management Plan dated June 27, 2017
 - TSS Water Quality and Management Report dated October 5, 2017
 - TSS Turbidity Monitoring Plan dated January 31, 2018
- Key correspondence:
 - AECOM, "Centerm Expansion Project: Air Quality Assessment Yard Truck Parametrization", February 2018
 - AECOM, "Centerm Expansion Project: Environment Air Assessment, Level 1 Emission Inventory", October 2017
 - VFPA, "EAA Source Characterization Review", Memo May 20, 2017
 - VFPA, "EAA Revised Report Level 1", Memo June 01, 2017
 - VFPA, "EAA, Level 2 Dispersion Modelling Reporting Requirements", Memo November 08, 2017
 - VFPA, "EM Chapter 4 and Appendix A supplemental information", Memo November 18, 2017
 - VFPA, "EAA Report Commitment Guidance", Memo January 30, 2018
 - VFPA, "EAA Level 2 Dispersion Model – Project Case Representation", February 20, 2018
 - WSP, "Centerm Expansion Project – Quality Assurance / Quality Control and Senior Review of AECOM Air Quality Assessment Report (Level 2)", February 9, 2018
 - WSP, "Centerm Expansion Project – Quality Assurance / Quality Control and Senior Review of AECOM Air Quality Assessment Report (Level 1)", October 30, 2017
 - AECOM, "Fire Department Response Times to Rogers St" April 9, 2018
