Dear Mr. Kirk:

**Re: Vancouver Fraser Port Authority Project Permit No. 17-091 - Extension  
Burrard Inlet Pipeline Removal – Phase B**

On behalf of the Vancouver Fraser Port Authority (VFPA), I am pleased to advise that Project Permit No. 17-091 – Burrard Inlet Pipeline Removal has been extended. It is now valid until December 31, 2018. Failure to complete the works authorized by this Project Permit by this date may result in the need to apply for a new Project Permit.

Imperial Oil Limited is responsible for carrying out the works according to the subject conditions contained in the Project Permit. Please ensure that those involved in undertaking the approved works are aware of these conditions and that a copy of the Project Permit is maintained on site during the Project.

Please submit all documents required to satisfy the conditions listed in the Project Permit to [per@portvancouver.com](mailto:per@portvancouver.com).

Thank you for your cooperation throughout our review. Should you have any questions regarding this approval, please contact Spencer Chaisson at 604-665-9389 or [Spencer.Chaisson@portvancouver.com](mailto:Spencer.Chaisson@portvancouver.com).

Yours truly,
