Dear Mr. McCawley:

**RE: Vancouver Fraser Port Authority Project Permit No. 15-041-2
Request for Construction Outside of Regular Work Hours
Fraser Grain Terminal Ltd. – Fraser Grain Terminal – Grain Export Facility**

The Vancouver Fraser Port Authority (VFPA) has received Fraser Grain Terminal Ltd.'s request for an exemption to Condition 36 of Project Permit 15-041-2 to allow works between 7:30 AM and 4:00 PM on Sundays from August 18, 2019 to February 29, 2020.

VFPA understands that this request is to allow the electrical contractors to work with no other activities ongoing at the site, to improve safety and efficiency. We further understand that these works are not anticipated to generate significant noise.

VFPA will allow construction outside regular hours of work during the above noted time periods provided the following conditions are met:

1. The Permit Holder shall ensure the scope of works undertaken during extended hours is limited to the activities outlined in the proposal. Only work that cannot occur during regular construction hours is permitted to occur on Sundays between 7:30 AM and 4:00 PM;
2. The Permit Holder shall circulate a construction notice to the surrounding area. The notice shall be consistent with the draft provided on July 29, 2019, and shall be distributed to residents a minimum of (5) five business days in advance of the commencement of works;
3. All Project Permit 15-041-2 conditions shall continue to apply during extended work hours.

VFPA reserves the right to cancel or revoke authorization for extended work hours should noise levels exceed reasonable levels or should disturbances to surrounding residents or tenants persist.

Should you have any questions regarding this approval, please contact Jessica Mehigan at (604) 665-9627, email jessica.mehigan@portvancouver.com.

Yours truly,

VANCOUVER FRASER PORT AUTHORITY
