Education Program: Feedback

What are people saying about the program?

“I was impressed with the quality of hands-on materials and fun, interactive activities. I have already recommended the program to colleagues.”

“The presentation was extremely well run: excellent pacing, interactive, informative, and very engaging.”

“I was so impressed with this program. Been teaching 25 years and I have to say it was one of the most organized, clearly laid out and interesting field trips I've been on.”
