

The North Shore Waterfront Liaison Committee is a mechanism for communication and dialogue about port-related issues on the North Shore. It brings together North Shore municipal, industry, port authority, and community interests to discuss developments, identify concerns, provide suggestions, and facilitate two-way communication among respective constituencies about port transportation and operational issues on the North Shore.

Committee Members

Community Representatives

- Joy Hayden, City of North Vancouver
- Doug Ausman, City of North Vancouver
- Glen Webb, District of North Vancouver
