RE: Boat Shelter Replacement

Dear Mr. Barnett,

Thank you for your letter of March 18, 2011, advising of the planned replacement of boat shelters at your Stanley Park marina.

The Vancouver Park Board supports the proposed project.

Please coordinate with us if any of the construction-related activities have an impact on traffic in the park. At this time, we are not aware that our park visitors will in any way be inconvenienced by the project.

Please let us know if you require any assistance from the Park Board in carrying out the replacement.

Yours sincerely,
