

## CONSTRUCTION NOTICE

October 18, 2019

**Re: Centerm Expansion Project and South Shore Access Project  
Notice of construction outside regular Vancouver Fraser Port Authority work hours**

As part of the Vancouver Fraser Port Authority's (port authority) Centerm Expansion Project and South Shore Access Project, Centennial Expansion Partners (CXP), the Design Builder, has received approval to work outside of the port authority's regular work hours (7:00 a.m. to 8:00 p.m. Monday – Saturday) once a month on designated Union nights. CXP has also received approval to work outside of regular hours as needed, in exceptional circumstances, to complete work activities in progress. Please see over for construction location map.

### **Work days and hours:**

- Extended work hours approval provided between: November 1, 2019 and April 30, 2020
- Extended hours: 8:00 p.m. to midnight, Monday to Saturday
- Known Union night work: November 20, 2019 and December 11, 2019
- Dates for Union nights in 2020 will be posted on the port authority's website at [www.portvancouver.com/centerm-expansion](http://www.portvancouver.com/centerm-expansion).

### **What to expect:**

Works permitted outside of the port authority's regular work hours are all low noise and low light emitting activities that should not significantly impact local residents. Construction works will include: inspections, surveys, line painting, concrete pouring, mobilization and/or demobilization of equipment and materials to or from work areas, and, the establishment, modification or close-out of work areas. Nearby residents and businesses can anticipate minimal noise or excessive lighting associated with construction activities. No impacts to traffic on port roads is anticipated.

### **Contact Information:**
