Port Authority

Welcome and thank you

Thank you for meeting with us today.

Our team is here to listen and consider your input.

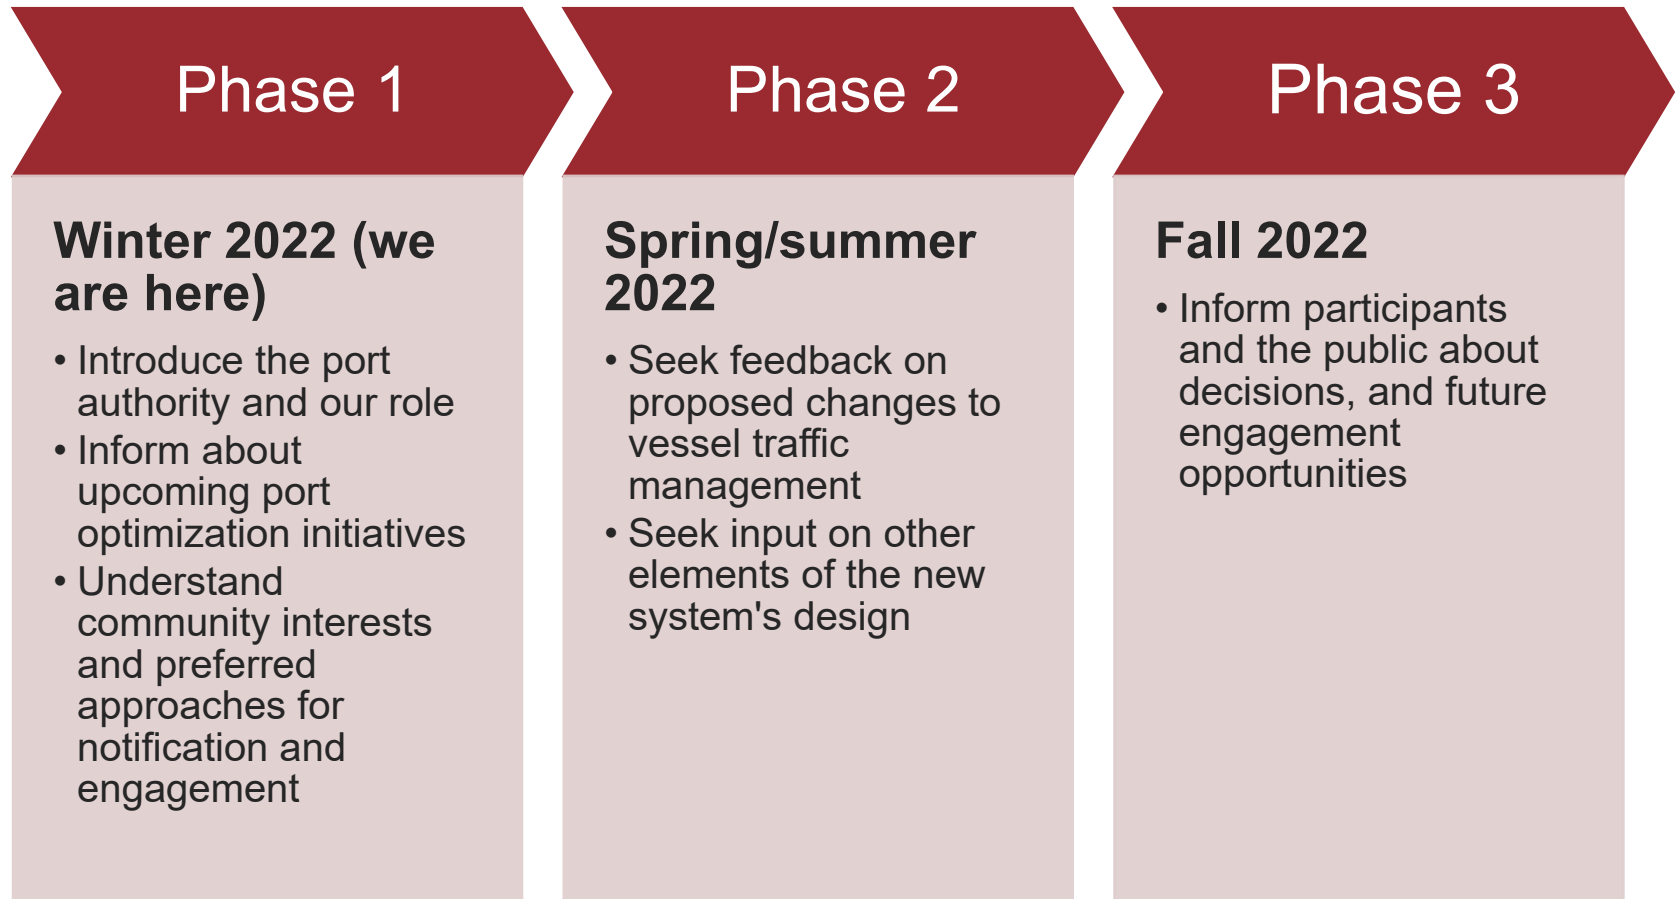

We look forward to your participation in our engagement planning and implementation.

Proposed agenda

Topic	Timing
Engagement purpose and introductions	5 min
About the initiatives and the engagement process	10 min
Your questions and input	25 min
Summary and next steps	5 min

Engagement purpose

Your input will help improve our engagement

Your
interests

Who else
should we
engage with

Opportunities
and challenges
to success

Engagement
opportunities
and formats

Our vision

The Vancouver Fraser Port Authority (VFPA) vision is – *to be the world's most sustainable port.*

Port optimization initiatives

Purpose:

- Increase efficiency
- Help better manage the effects of marine vessel traffic on local communities

Growth forecast

Canada's annual trade continues to grow through the Port of Vancouver.

Port optimization and digitalization initiatives

Supply chain efficiency

Port service quality

Safety, security & compliance monitoring

Active vessel traffic management improvements

Centralized system for planning and scheduling

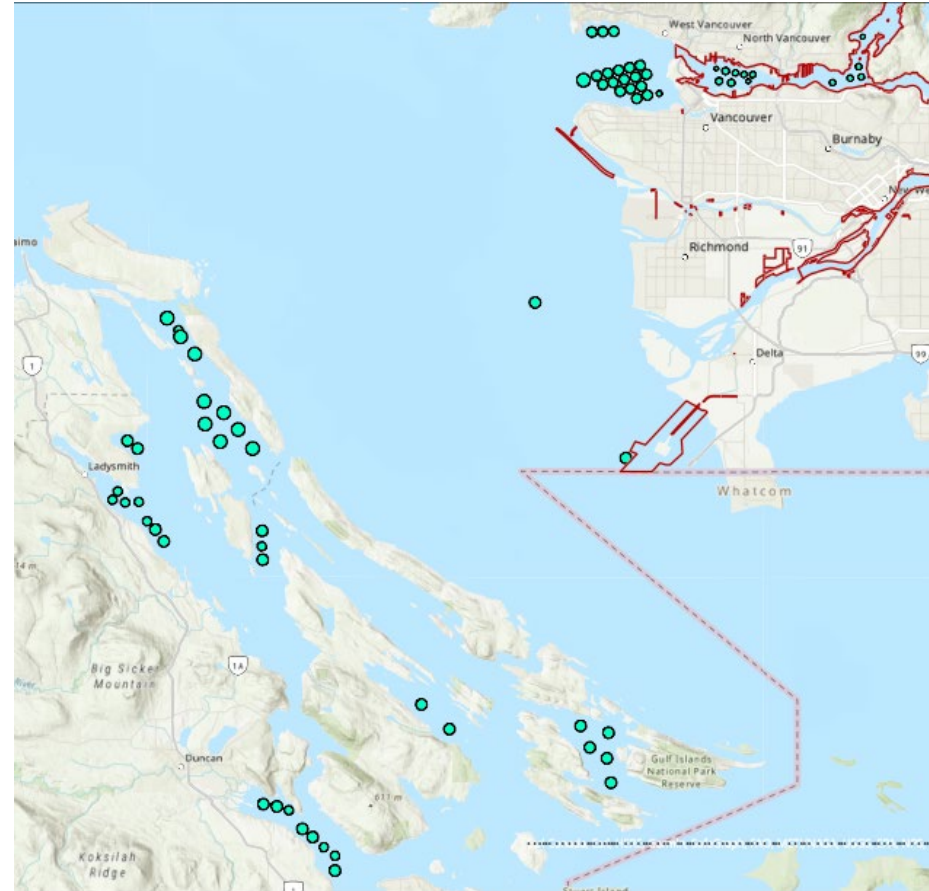

Overall efficiency

Anchor management protocols

Code of conduct

Vessel anchorage locations

Intended benefits

Strengthen marine safety

Reduce environmental impacts

Reduce social impacts

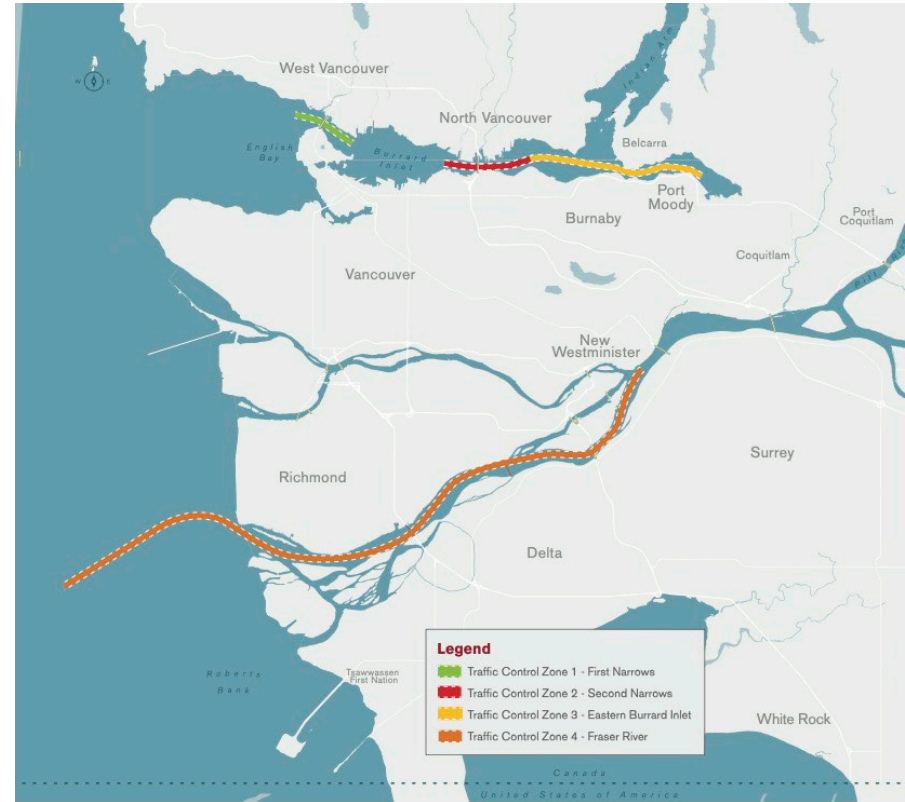

Make the movement of goods more efficient and reliable

Maintain port competitiveness

Anticipated target timeline

- **2021** – Initial and ongoing industry engagement
- **Winter 2022 (we are here)** – Early engagement to understand interests and inform future engagement
- **Spring/summer 2022** – Engagement on potential improvements
- **Fall 2022** – Phased implementation of AVTM starting with Second Narrows traffic control zone
- **2023** – Expanded implementation

Port of Vancouver traffic control zones

Discussion

- What are your interests?
- What do you see are the opportunities and challenges to successful outcome?
- How would you like to be involved as we continue to study opportunities?
- What are the best formats to engage with the people you represent?
- Who else do you think we should engage with?
