Agenda topic	Discussion/Action items
New Business	
1. Roundtable and port updates	<p>CP</p> <ul style="list-style-type: none"> Received notice from port assessment team: application was complete for track realignment project. Awaiting permit decision from PER team. <p>Viterra</p> <ul style="list-style-type: none"> Project update: essentially completed. Remainder of the project is expected to be completed after August 15, 2022. Slow year due to drought during crop season. Looks like it is improving and fall crop is looking good. Will be holding open house in person– tentatively scheduled September 15, 3033. Invitations to go out end of June. <p>City of Vancouver</p> <ul style="list-style-type: none"> Correspondence with Vancouver Park Board on upgrades related to various parks in the area. Staff will be responding to questions received from community members. Updates on sewer and road projects can be found on the City of Vancouver website. For more information regarding road and sewer works: https://vancouver.ca/streets-transportation/roadwork.aspx Vancouver draft city plan. Draft is out for engagement and consultation. For more information: https://vancouverplan.ca/ <p>ACTION: Provide links to the City of Vancouver webpages.</p> <p>Vancouver Fraser Port Authority</p> <ul style="list-style-type: none"> The port authority provided port updates. Project and environmental review (PER) staff advised that the WCMRC facility is set to be completed summer 2022. PER is currently in the process of reviewing building permits. <p>Barbara Fousek, Burrardview Community Association representative</p> <ul style="list-style-type: none"> Dusty Greenwell Park – with respect to upgrade requests, signage was requested to be completed. It was noted there is a split fence for safety reasons. <p>ACTION: Forward correspondence from City of Vancouver that relates to Jacqueline.</p>
2. Action item review	<ul style="list-style-type: none"> N/A
